## WHAT OUR BRIDES

*Say About Us*

**SAM & KAL**  
AUGUST 2024

Natalie was so easy to talk to, worked with our budget, and understood the vibe we wanted. The wedding on August 30th exceeded all expectations. Nat and the team were amazing, making sure everything ran perfectly and even helping with my 18-month-old daughter, from playing with her to finding sunscreen on a hot day. The food was fantastic, and the attention to detail was incredible. Our guests said it was their favourite wedding. It was relaxed, ran smoothly (despite me being 30 minutes late), and the sunny weather made it even more special. We visit weekly, and it truly is a special place. Thank you, Nat and team, for making our day a dream!

**MEGAN & PAUL**  
JULY 2024

A massive thank you to all the staff at The Lake House for making our wedding a dream! People kept commenting on how relaxed we were leading up to the big day, and it's because we knew we were in safe hands. The venue is stunning with incredible views, especially at sunset, and the food was delicious. The staff were attentive, organised, and genuinely cared from our very first meeting with Natalie, which led us to book it immediately. As locals, we're proud to have The Lake House on our doorstep. It truly deserves the recognition it's getting, thanks to the amazing staff. Special thanks to Natalie, Wendy, and Vicki for making our day everything we hoped for and more!

**JEN & LIAM**  
JUNE 2024

Even though the weather was awful, we had the best day. We cannot thank all the team for making this possible, especially Wendy and Natalie. We first met Natalie at another venue where she previously worked and we noticed how amazing she was at her job and was over the moon when we met her again at the Lake House. I have genuinely had her up the wall for 2 years planning this wedding, and she has always gone above and beyond for us in every way possible. I cannot thank her enough for everything she has done for us, so rest assured, if you book your wedding or any event here, you are in safe hands.
